

## Join a fun, award-winning, sustainable architecture team : Are you an Architect at Senior or Mid-Level?

We are thrilled to have just been named a winner in this year's AIA Architecture Awards for our Sustainable Work, and we are now looking for a passionate, design-driven architect, who likes to see meaning in their work, to join our growing team.

You should be hands-on, and passionate about sustainable design. You seek to be part of a growing team, while being responsible for creating beautiful, contemporary and sustainable architecture. You are keen to work on exciting high-end residential, sustainable dream homes and small commercial projects with a sustainable approach, most of them designed and delivered as passive houses.

We are a multi-award winning small practice, playing in architecture and interior design. Our work focuses a lot on the way we live, and how we can create a better future. We offer a fun work environment with lots of extra benefits. We believe in doing the right thing for the planet while earning a living and enjoying our work.

### Bonus points if you can bring some or all of the following :

- passion for good design with a keen eye for detail
- passion for the environment and for a sustainable future
- knowledge of / experience in passive house projects and principles - ideally you are a certified passivhaus designer.
- 4-10 years of experience, following a degree in architecture and a thirst for continuous learning
- proven experience in high-end residential + commercial
- proficient ideally in Vectorworks or in another BIM software

We are pretty open and flexible, and happy to discuss part-time/work from home arrangements etc. This is a great opportunity to grow with the practice and to stay involved with all facets of our profession, and more : It's never boring here. And of course we are happy to look at your particular likes and dislikes, or strengths and weaknesses, together with you, and help you develop your role into something that fits you like a custom tailored suit. The successful applicant will enjoy a range of benefits, like additional holidays, savings plan for your home and more.

If this sounds like a great fit, we'd love to hear from you. Please get in touch with us now - email to [HR@MelbourneDesignStudios.com.au](mailto:HR@MelbourneDesignStudios.com.au), or [apply here](#). Applicants should be eligible to work in Australia. Any questions before you are applying, please feel free to email or call the office with your queries.

We look forward to hearing from you !
